E911 Location Accuracy Compliance Certification

Three –Year Benchmark April 3, 2018

PS Docket No. 17-78

CERTIFICATION

I, David Tews, hereby certify that I am an officer of Americell PA-3 LP, dba Indigo Wireless (the “Company”) and that I am familiar with and have responsibility for the Company’s indoor location accuracy compliance, as set forth in 47 C.F.R 20.18(i) of the rules of the Federal Communications Commission.

As of April 3, 2018,

- (1) The Company does not provide service or report live call data in any of the Test Cities,
- (2) The Company is providing dispatchable location or x/y location information within 50 meters for more then 50 percent of all wireless 911 calls,
- (3) The Company has deployed the indoor location technologies used in its network consistently with the manner in which such technologies have been tested in the test bed, and
- (4) The Company has verified this based on its own live call data that it is in compliance with the three-year benchmark set forth at 47 CFR 20.18(i)(2)(i)(B)(2).
